

## OVERTON PARK SHELL

**Internships at the Overton Park Shell (formerly Levitt Shell)** are a way for talented college students to do more than interact with professionals in fields that interest them – our internships serve as gateways for students to partake in making the vision that we have for the Overton Park Shell a reality. Our mission is building community through free music and education, finding common ground in a diverse audience.

### **Title**

Concert Photography Intern

### **Description**

The Concert Photography Intern will take pictures of Shell concerts and events and perform the necessary editing and formatting required to use these images in a digital capacity (on our website, social media, archives etc.) Additionally, the Concert Photography intern will be expected to document Shell concerts and events in real time through social media platforms.

### **Major Areas of Responsibility**

Applicants will be responsible for documenting events in real time (on social media) as well as for future use on our website, social media, etc.

Applicants will find shots that encapsulate The Shell's mission and engage our audience in an equitable way

Applicants will engage with audience members and take fun/lively pictures

Applicants will deliver edited photos in a timely manner

### **Desired Qualifications + Requirements**

Applicants must have access to their own camera (dslr or mirrorless)

Applicants must possess a valid driver's license & personal vehicle in order to attend Shell concerts

Applicants must have strong verbal communication skills and experience with photography

An understanding of social media and familiarity with photo editing software and/or the Adobe suite of applications are beneficial

### **Education + Experience**

Current college student with at least 2 years of college completed

Majors with coursework in photography, design, media, marketing, advertising and/or public relations a plus

### **Physical Demands + Working Environment**

Must be able to work in a typical office environment and work on a computer for long periods of time

### **Hours + Duration of Internship**

As specified by University requirements; flexible according to the intern's overall schedule.

**To apply please send a resume and a selection of 3-5 examples of your work to [natalieb@levittshell.org](mailto:natalieb@levittshell.org)**
